

## 12D ADVANCED CIVIL DESIGN TRAINING

Advanced 'Civil Design' Training in the use of the more specialised modules in 12D Model Software is only for experienced users. There are currently sixteen Courses available.

Training is done using the latest Pentium PC's. A maximum of 8 people per course. All training is full hands on with minimal use of manuals etc.

Course costs vary depending upon the length of the course and who is the Trainer. If a Course is given by an industry 12D specialist who resides outside Victoria, the cost is higher.

**Course Content:** See [www.SCSsoftware.com.au/Training.html](http://www.SCSsoftware.com.au/Training.html) for information on the contents of each Training Course.

**Prerequisites:** Completion of the three day C1. Basic Civil Design Training course is required before you attend any of these Advanced Courses.

**Next Training Course Dates:** See [www.SCSsoftware.com.au/Training.html](http://www.SCSsoftware.com.au/Training.html) for the latest dates.

**Registration of Interest:** The Advanced Courses are held as required. If we do not have a Course currently scheduled, please still register your interest by sending us (email or fax) the '12D Advanced Civil Design Training Application form' without the dates filled in. Be sure to mark the particular Course(s) you want to attend. No payment is required to register your interest. We will then contact you as soon as the Course is scheduled.

**Training location:** Most of our Training is held at the Manhattan Hotel, Ringwood. You will be advised of the exact location via email after you register for Training.

**Lunch:** A buffet lunch is provided with all full day courses.

### To make a Course booking:

To ensure that a seat is available please phone Steve Crossley on 03 9802 8849 or email to [steve.crossley@SCSsoftware.com.au](mailto:steve.crossley@SCSsoftware.com.au) Please email or fax (Fax 03 9803 1057) us the enclosed '12D Advanced Civil Design Training Application form'. Be sure to mark in the dates and the particular Course you want to attend.

Alternatively, you can register online from [www.SCSsoftware.com.au/Training.html](http://www.SCSsoftware.com.au/Training.html). Make sure that you advise us of your name, contact phone number and email address as well as the courses you are interested in.

Once confirmed verbally, payment must be received at least 7 days prior to the course. You will receive an email confirmation confirming the booking, venue and dates of your course. We accept payment in the form of cash, cheque or EFT. For EFT payments, please contact us and we will advise our Westpac bank details. A tax invoice will be issued. It can be supplied in advance of making payment if required.
